## CHRISTMAS 2010 NEWSLETTER

Dear ones in Christ, Seasons greetings in our Lord and redeemer Jesus Christ's name. The Lord Jesus Christ is not only the reason for Christmas, He is the very heart of Christmas. It is the unconditional love of Christ for us that Caused him to die for our sins on the cruel cross. What a privilege to be loved by a sovereign redeemer.

**"And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Savior, which is Christ the Lord." Luke 2:10,11**

This year our ministry has felt the effects of the struggling economy worldwide more profoundly than at any time since the recession began, and yet we praised the Lord and are encouraged by the growing outreach of this ministry.

### Shipment & Donations:

Praise the Lord the shipment got here at the end of October and we were able to donate to the Accra Mentally Handicap, the brethren at Yeji, Ada Kope, Loloto and Jim B, all in Northern Ghana (pictures enclosed). We have donated some of the medical items to some Christian Hospitals in Accra, we intend to do more next January 2011.

### Outreach:

We visited Northern Ghana twice in November and December this year.

Our visit in November (18-22) resulted in the salvation of 15 souls. We also conducted medical screening for more than 150 people in the Yeji area. We worked on our medical boat and we hope to use it early next year.

We bought a small Well drilling machine to use in Jim B but we Urgently need a High Pressure Air compressor at least 100 psi. to be able to drill a well for Jim B. A used one here is selling for \$15000. Please if you know how we can obtain a good High Pressure Air Compressor you can contact the Mission Office. For the mean time we bought two Donkeys to help carry the water from the Lake to Jim B. Thanks so much to you all for the various donations towards this urgent need, we are still counting on you to give so that we can get water to Jim B by March 2011. So far we have received \$7000 out of the \$30,000. We still need \$23000. The pennies, dimes, etc are still needed. May be you will like to give a Christmas gift for Jim B.

### ALIVE FM:

We are still waiting for our License for the station in Accra but the Lord in His own providential way has open a door for us in northern Ghana. We got a hint when we were going to Northern Ghana in November that the Yeji district, does not have a radio station so we went with a small transmitter to test the Air, to our amazement the Presiding Officer of the district, the security Officers and the Mayor invited us to their Office to inform us that this is a URGENT NEED there, they wanted us to stay and that they will give us all the support to remain in the district. The mayor has given me a letter to that effect to send to the National Communication Authority to give us the license or frequency to operate with immediate effect. We return to Accra and got ourselves ready. On the 13th of December we went and set the Station up for continuous test transmission on the authority of the Mayor. Pray with us that all goes through for the License so the station can be dedicated in March 2011. "Praise ye the LORD. O give thanks unto the LORD for he is good: for his mercy endureth for ever. Who can utter mighty acts of the LORD?..

"Ps.106:1-2a.

## **SCHOOL (BIPS)**

We praise the Lord and thank all of you for the school supplies. This year we have crossed the 200 mark in enrollment. To God be the glory. The selection for the high school delayed so we getting ready to enroll new students for the High school in January. We got some computers and hard drives from Mission Central and CMTS Ministries for which we are grateful. The Lord has brought us a dear brother who is handling all our computers for us.

## **The Quarshie Family:**

The Lord is glorifying himself in our lives and we are seeing the result in our children. Debbie has now decided to be part of the mission work and so is her brother Enoch, they want to start working at the school from January 2011. This is the Lord's doing. Thank you for your prayers. Continue to pray for them for the life partners. Adeliade is doing great these days. For me it is all amazing grace.

## **GOALS FOR 2011:**

To plant a total of 20 Churches in Northern Ghana. Support all the village pastors for \$75 each per month. Enrollment in the school is projected to be 300 in 2011. Water for Jim B in 2011. Radio Station to be fully operational

We continue to trust the LORD for His provision for the last days of 2010. It is only with your support that we can reach our financial goal \$60,000 for 2011 and avoid hurtful cutbacks in our ministry.

We believe the LORD has greater things in store for us. The year ahead promises the most fruitful days of ministry we have ever known. Your needed and much-appreciated gift to our ministry goal will count toward our year goal. Your gift can result in changed lives.
